STEP 1 - Heading EAST on I10, take Exit 49 to Fabens. Turn left onto San Felipe and cross the highway.

STEP 2 - Cross over the cattleguard and follow San Felipe until you get to Cattleman's Steakhouse on the right (+ 5 miles).

STEP 3 - If you have called to arrange for us to meet you at Cattleman's Steakhouse, this is where we will meet you. If you are making your own way out, continue straight past Cattleman's up the road and over the hill.

STEP 4 - At the top of the hill you will come to a cattleguard. Cross over and stay on this road.

STEP 5 - You will pass Indian Trail Drive on the left, continue straight on the paved road.

STEP 6 - Keep going straight on the paved road, past the race track on the left.

STEP 8 - Go over the cattleguard and continue straight on the paved road.

STEP 9 - This is where the paved road ends and the pothole road begins. You can drive on the dirt to the left side of the pothole road if you wish to avoid the potholes, just go slow. The road curves right a little, follow the pothole road until the fork (where the paved road ends).

STEP 10 - This is the pothole road. Follow the pothole road until the fork (where the paved road ends).

STEP 11 - If you have called and arranged for someone to meet you at the end of the paved road, you will wait here for someone to lead you back to the ranch. If you want to try and get to us yourself, the paved road ends and forks. Take the LEFT fork.

STEP 12 - The dirt road forks at 2 gates. Take the RIGHT fork towards the RIGHT gate (unlocked).

STEP 14 - This is the entrance to our property - there are purple fence posts and a (missing) sign on the right hand side welcoming you to Grace Ranch. Stay straight until the next fork.

STEP 15 - At this fork, take a left and go on the high road. You're very close now! Go slow, it's very bumpy here.

STEP 16 - Go **RIGHT** at the next fork in the road. This road loops back around to the left, follow it.

STEP 17 - At the tank, take a **LEFT** towards the ranch.

STEP 18 - This is an intersection - go straight, not left or right. There's a gate coming up (it'll be open).
